L0S1B0

Get in while the gettin' is good in Crystal Beach's most literally and metaphorically colourful building, Derby Square. Basalto (translated to lava rock) is an artisan cheese and meat shop that specializes on charcuterie boards and boxes has been a darling of Derby Road for a couple years. This is an opportunity that does not come often. The business comes with everything you need to hit the ground running, including two deli glass front display fridges, live edge shelving, sinks, fridges, and plenty of inventory in time for the holiday season. Crystal Beach is a rapidly growing community that supports local business. Book a private showing today.
