This beautiful home is on a fantastic, large 78'x120' corner lot with a beautiful and mature garden in a quiet, family neighbourhood. This large, elegant two storey home has been well looked after by the same family since 1971. You will be that house on the street that people slow down to admire for the fantastic curb appeal. The large garden will be wonderful for childhood adventures, family entertainment or relaxing alone. Inside doesn't disappoint, from the casual sunroom to the formal living room and the elegant dining room these rooms are large, warm and inviting. The sunroom has underfloor heating so it's warm and cozy for watching tv, curling up with a good book or chatting with friends.
